

Change World

To change a world on Ark you must follow these steps:

- Stop the server
- Click Ark in the left menu to expand the menu
- Click Settings as the option
- Find the "World" or "Level Name" option and change the setting to the world you want.
- Scroll down and save
- Start the server

After you do all this, the new map will load in. Should you have any issues, open a ticket to our support team.
