

Creating an account

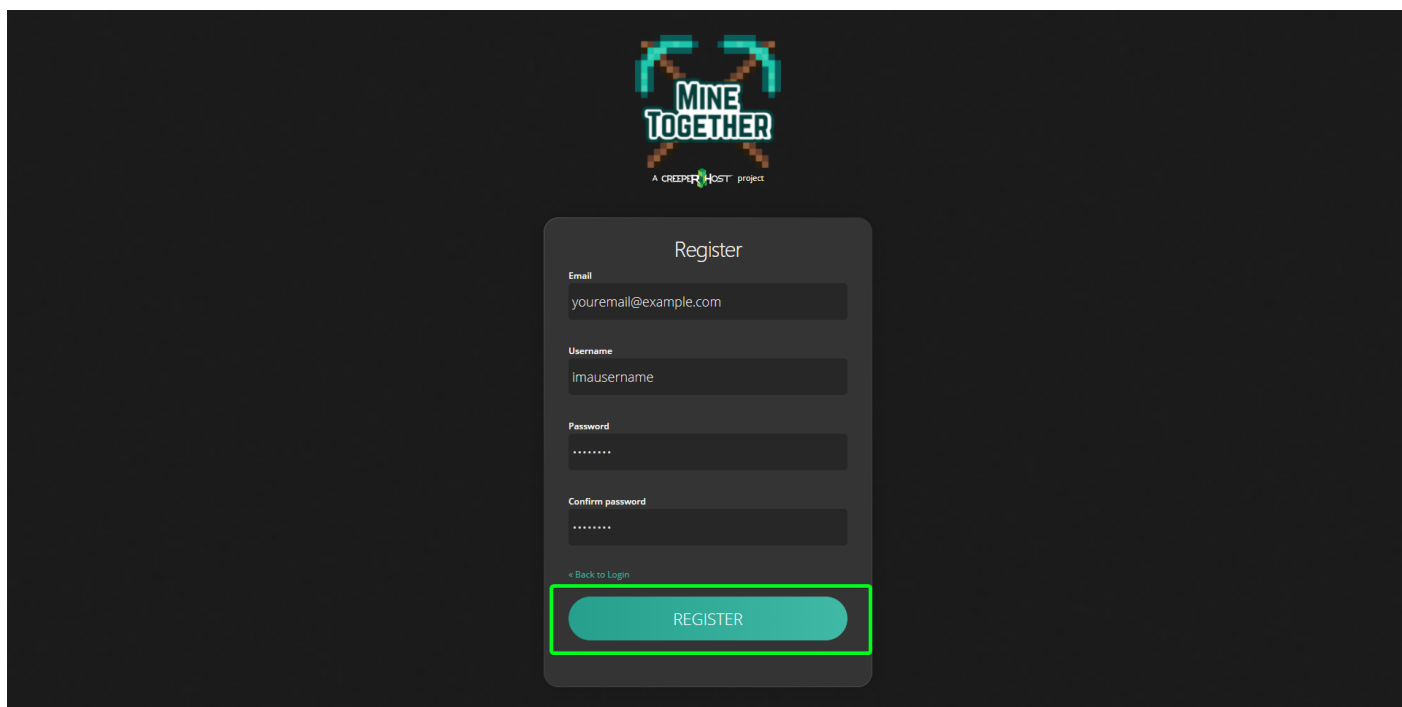

A MineTogether account can be created by going to <https://minetogether.io/> then clicking the Login button in the top right of the page

On the login screen click the Register link (highlighted below) below the login options

Enter your details (email, username, password) then click register. You should now receive an email asking you to verify your email address, after verifying your email address you will be taken to the MineTogether website where you can login and manage your account.

The image shows a registration form for 'MineTogether', which is identified as 'A CREPER HOST project'. The form is titled 'Register' and is set against a dark background. It contains four input fields: 'Email' (with the placeholder 'youremail@example.com'), 'Username' (with the placeholder 'imausername'), 'Password' (with a masked input '.....'), and 'Confirm password' (also masked). Below these fields is a link that says '< Back to Login'. At the bottom of the form is a large, rounded 'REGISTER' button, which is highlighted with a red rectangular border. The MineTogether logo, featuring two crossed pickaxes, is positioned at the top center of the form area.
